Brooke Lamb celebrated her ninth birthday last week, surrounded by circles, stripes, and stars.

Brooke's bedroom makeover, courtesy of Tecumseh Home Hardware and Building Centre, was recently completed.

"It's cool! I like it!" she exclaimed, noting that the 'night sky' wall is her favourite part.

In July, Brooke was announced as the winner of Tecumseh Home Hardware's bedroom makeover contest.

Since then, a team of six individuals have been to the Lamb residence to remove carpeting, install

flooring, and paint the walls specifically to Brooke's design from her contest entry, which includes shades of purple, blue, and green.

"I think it turned out real nice," said Domenic Palomba, one of the project's crew members.

"We tried to stay as close to (Brooke's) design as we could get."

Gratitude

Brooke's parents, Jody and Jamie Lamb, also expressed their gratitude to all involved for the makeover.

"We really appreciate what they've done for us," said Jody.

"It's been fun for Brooke. She's happy with the outcome and so are we."
